Dear Dave and Alexis

Thank you so much for your donation of R4 500-00 that we received via CSI Linked. It really was a lovely surprise and one that couldn't have come at a better time!

At the heart of what we do is our vision of a healthy world, where people work in harmony to build healthy soil, grow nutritious food and heal the planet. Every year we aim to provide training in home food gardening to at least 800 new home gardeners. This training has the potential to increase access to healthy food for an estimated 4 800 people – the gardeners, their families, friends and neighbours.

None of what we do and aim to achieve is possible without the support of donors.

Once again, many thanks for your support.

Best wishes,

Cindy Buské
Operations Manager
