Dear Memory Priscilla Nhidza,

Successful Completion of the Audit Development Programme (ADP) – Registered Candidate Auditor (RCA) No. 141856

I am pleased to advise that you have successfully completed the Audit Development Programme (ADP) offered by the Independent Regulatory Board for Auditors (IRBA). As a result, you are now eligible to apply for registration as a Registered Auditor (RA) with the IRBA.

For more information on how to apply for registration as an RA, please contact Registry at 27(0)10-496-0600 or registry@irba.co.za.

Maintaining ongoing competence is as important as your competence at entry to the profession. Therefore, please ensure that you comply with IRBA's Continuing Professional Development (CPD) policies. All the policies applicable to you as an RA can be located on our website www.irba.co.za.

Please note that you will be required to undergo a proficiency interview with the IRBA if you have not registered as an RA within a period of three (3) years from the date of successful completion of the ADP.

We wish you all the best in your future endeavours and look forward to your positive contribution to the profession as a Registered Auditor.

Yours sincerely,

Nadine Kater
Director: Education and Transformation Department
